- Close encounter with at least two different species including a snake OR lizard
- A great photo opportunity
- Time to ask our keepers questions
- Entry to the whole park included
- **Available February-October on Tuesdays & Saturdays at 10:15am**
- **PRE-BOOKING REQUIRED**

DESCRIPTION

Your experience will start in our café, including a welcome drink, where you will be introduced to one of our experienced keepers for your health and safety briefing. They will then escort you to our Animal Discovery Zone for the 35-minute experience to begin.

Our Animal Keeper will take you on a brief tour of the Animal Discovery Zone telling you about the fascinating reptiles, invertebrates, amphibians, and arachnids they look after. You will then be invited to assist them with a couple of tasks this could include animal husbandry, weighing, feeding or food prep.

Your experience will include a close encounter with at least two different species. This will include a snake OR a lizard, and an invertebrate.

Throughout your experience, the keeper will tell you about the behaviour, feeding, habits and characters of the animals. You will also have chance to ask questions.

This experience also includes admission into the park which you are welcome to enjoy before and after your experience.

Please ensure you are wearing suitable clothes that you don't mind getting dirty.

PRICES

Two people	£90
Additional person (maximum of 2 additional people)	£35
