- A great photo opportunity
- Time to ask our keepers questions
- Entry to the whole park included
- **Available February-October on Wednesdays, Fridays & Sundays 10:15am**
- **PRE-BOOKING REQUIRED**

DESCRIPTION

Your experience will start in our café, including a welcome drink, where you will be introduced to one of our experienced keepers for your health and safety briefing. They will then escort you to our Meerkat enclosure for the 20-minute experience to begin.

You will take a seat inside the enclosure and be given a feeding board to place on your lap. Please note the meerkats are fed a mixture of fruit, vegetables, and live mealworms.

Meerkats are very inquisitive animals and are interested in investigating anybody new. We can't guarantee they will climb on you for a photo opportunity, but it's still a great chance to get up close and learn about these amazing animals. Throughout your experience, the keeper will tell you about the behaviour, feeding, habits and characters of our Meerkats. You will also have chance to ask questions.

After the experience has ended, you are welcome to enjoy the rest of the park.

Please ensure you are wearing suitable clothes that you don't mind possibly getting dirty with meerkat paws. You will need to wear long trousers and suitable footwear (no open-toe shoes).

Please note this is an outdoor experience and will take place in all weather conditions. Unless the weather is so severe it is deemed necessary to close the entire park in which case we will contact you as soon as possible and you will be offered an alternative date for your experience to take place.

PRICES

Two people	£70
Additional person (maximum of 2 additional people)	£25
